

OFFICE of the ATTORNEY GENERAL
GREG ABBOTT

June 17, 2003

Ms. Mary J. Kayser
City Secretary
City of Burleson
141 West Renfro
Burleson, Texas 76028-4261

OR2003-4162

Dear Ms. Kayser:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 182897.

The City of Burleson (the "city") received a request for information relating to case number 0233931. You claim that the requested information is excepted from disclosure pursuant to section 159.002(b) of the Occupations Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. You state that the submitted documents include medical records. Access to medical records is governed by the Medical Practice Act ("MPA"), chapter 159 of the Occupations Code. Section 159.002 of the MPA provides:

- (b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.
- (c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the

information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Medical records must be released upon the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. Occ. Code §§ 159.004, .005. Section 159.002(c) also requires that any subsequent release of medical records be consistent with the purposes for which the governmental body obtained the records. Open Records Decision No. 565 at 7 (1990). We have marked the documents in the submitted information that are confidential and may be released only as provided under the MPA. Open Records Decision No. 598 (1991).

We note that the submitted documents contain information that may be excepted from disclosure under section 552.130 of the Government Code. Section 552.130 provides in relevant part:

(a) Information is excepted from the requirement of Section 552.021 if the information relates to:

- (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state; [or]
- (2) a motor vehicle title or registration issued by an agency of this state[.]

The submitted documents contain driver's license numbers, which we have marked. If the city determines that these driver's license numbers pertain to Texas driver's licenses, then the city must withhold the marked driver's license numbers pursuant to section 552.130 of the Government Code. Otherwise, the driver's license numbers must be released.

The submitted documents also contain social security numbers. A social security number may be withheld in some circumstances under section 552.101 in conjunction with the 1990 amendments to the federal Social Security Act, 42 U.S.C. § 405(c)(2)(C)(viii)(I). *See* Open Records Decision No. 622 (1994). These amendments make confidential social security numbers and related records that are obtained or maintained by a state agency or political subdivision of the state pursuant to any provision of law enacted on or after October 1, 1990. *See id.* We have no basis for concluding that the social security numbers in the submitted documents are confidential under section 405(c)(2)(C)(viii)(I), and therefore excepted from public disclosure under section 552.101 of the Public Information Act on the basis of that federal provision. We caution, however, that section 552.352 of the Public Information Act imposes criminal penalties for the release of confidential information. Prior to releasing any social security number information, you should ensure that no such information was

obtained or is maintained by the city pursuant to any provision of law enacted on or after October 1, 1990.

In summary, we have marked documents that are confidential and may be released only as provided under the MPA. If the marked driver's license numbers pertain to Texas driver's licenses, the city must withhold the driver's license numbers under section 552.130 of the Government Code. Otherwise, the driver's license numbers must be released. Social security numbers may be excepted from disclosure under section 552.101 of the Government Code in conjunction with federal law. The remainder of the submitted information must be released to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Dep't of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Saldivar', with a stylized flourish at the end.
